

### **REMARKS**

The following remarks are supplemental to the March 11 Response and the October 15 Amendment. Applicants submit the above corrected listing of claims, which replaces the March 11 Response and includes only the Section of the October 15 Amendment that was not compliant with 37 C.F.R. § 1.121(c). Pursuant to 37 C.F.R. § 1.121(c), the text of amended claims is now properly shown with underlining, indicating added text, or strike-through, indicating deleted text, and the text of new claims is presented in clean form.

No new matter has been added by this amendment. Applicants believe that the corrected listing of claims above now places the Amendment under 37 C.F.R. § 1.111 submitted October 15, 2004 in compliance with C.F.R. § 1.121(c).

### **CONCLUSION**

Entry of the foregoing amendments and remarks into the record of the above-identified application is respectfully requested. Withdrawal of all rejections and reconsideration of the amended claims is requested. If any issues remain in connection herewith, the Examiner is respectfully invited to telephone the undersigned to discuss the same.
